その後妄想

Nothing much  
changed  
in here, too!

Hey,  
Gary

That day  
we came  
back safely  
to the real  
world

I'm 14  
years old  
now!

You then  
vanished

When I  
was young,  
even if I  
didn't look  
for you

But after I  
grow up, the  
feeling that  
I want to see  
you keep  
growing  
stronger

Ah?

Calm down! Is this really Gary I'm seeing right now?

you mean

Ah

Maybe to a kid, a 20, 40, and 60 year old person looks the same?

According to my memories, he should be 20-25 years old now...

So he could be a vigorous and mischievous 30 year old?

school

It's been a while. How's the running?

That Gary?

Even though it was scary but it strengthened me

That event from 5 years ago

Um...

Me? ... me?

Even though it was scary it's made me stronger

Because Garry is by my side

What

What  
to do?

This picture  
already looks  
terrible

Getting to  
see Ib again  
is already  
enough  
a

Ah, I  
really  
have to  
go now

Sorry,  
Id

Eh

Though it  
was only  
for a short  
time, I'm  
happy

Sorry

Don't

Right

This isn't  
good-  
bye

We'll  
meet  
again

Because  
we're

Since  
we met  
five  
years  
ago...

Always

There's  
something  
dark  
connecting  
us...
